

2018 JUNIOR GOLF CLINICS

Dear Parents,

Hunt Valley Golf Club will be offering Junior Golf Clinics on Saturday afternoons in May. Children between the ages of 6-13 are eligible to participate.

The clinic will be taught by our Professional Staff. Juniors will be divided into two age groups, with each group working at a different learning station each week. Maximum Student to Teacher ratio- 8:1. Course materials will include instruction on golf swing basics, rules, etiquette and short game shots. All students will have the opportunity to play several holes or watch a professional play (depending on age/ability) during the course of the clinic.

If you would like to register your child in our Saturday Junior Clinic, please fill in the enclosed form, and return it to the Golf Shop no later than May 1,2018. Clinic size will be limited to the **first 16 Juniors submitting completed registration forms**. If any junior is unable to participate because of class size limitations, additional Junior Golf Schools and Advanced clinics will be offered throughout the summer. Also, look for future mailings on the Jimmy Flattery Junior Tournament in July.

The staff of Hunt Valley hopes you and your children will have a great year of golfing fun together, and we look forward to working with your children.

<u>Schedule - Saturdays</u>	
May 5th	May 19th
May 26th	
 <i>Clinic Times: 3:00pm- 4:00pm</i>	

Sincerely,

John Albert, PGA
Director of Golf
