

2019 SUMMER JUNIOR GOLF CAMPS

Dear Parents,

During the summer months of 2019 we will be offering Junior Golf Camp for children between ages of 6 and 13. (Junior Golfers ages 14 to 17 are encouraged to participate in private golf lessons) These schools will introduce the beginning player to full swing basics, chipping/putting and course rules and etiquette.

There will be a total of Three different camp sessions from which to choose. You may sign up for more than one session if you wish. **Each camp will be limited to the first 24 Juniors to register.** The class will then be divided by age into two or three smaller groups to insure adequate individual attention for each student. Maximum Student to Teacher Ratio - 8:1. In the event that a camp is sold out, priority will be given to those students who have not yet participated in another camp. However, if there are sufficient students requesting a particular camp, we will add an additional instructor to accommodate a larger class size.

Please fill in the registration form below, listing your choices of camp dates. This registration form is for **golf only**. To register for the entire camp program, including golf, please contact Josh Eventoff , Camp Coordinator. If you have any questions, please contact me at 410.527.3304.
